BIBHU PRASAD CHAKRABORTY

Objective

A motivated and passionate web developer seeking to contribute my skills in front-end and back-end technologies to build innovative and user-friendly solutions. Currently focusing on honing my skills in Node.js and Express, with a strong foundation in HTML, CSS, and JavaScript.

Projects

1. **Spotify Clone (Ongoing)**
   - **Developed the artist section and working on the full functionality of a music streaming web app.**
   - **Tools: HTML, CSS, JavaScript**
2. **Node.js Course (Published)**
   - **Created a 14-chapter Node.js course explaining core concepts like the fs module, nodemon, server creation, and ES modules vs CommonJS.**
3. **Theme Switcher**
   - **Implemented a dynamic theme switcher using HTML, CSS, and JavaScript for improved user experience.**

4. **Fully Functioning Calculator by using HTML, CSS & Js**

Experience

YouTube Content Creator – @learnaiwithbibhu (Jan 2024 – Present)
- **Created engaging educational content focused on web development, AI tools, and productivity.**
- **Edited videos and designed motion graphics to deliver clear and visually appealing tutorials.**

Achievements
- **Published a comprehensive Node.js course with practical examples.**
- **Grew a YouTube channel to 364+ subscribers in under a year, focusing on educational tech content.**

Interests
- **Web Development, React, Designing, Problem-Solving Challenges**
- **Content Creation in Web Development, AI**
